THE STATE OF NEW HAMPSHIRE

TOWN WARRANT 1978

To the inhabitants of the Town of Fitzwilliam, in the County of Cheshire in said State, qualified to vote in town affairs, you are hereby notified to meet at the Town Hall in said Fitzwilliam on Tuesday, the fourteenth day of March next at seven (7:00) o'clock in the afternoon to act on the subjects:

ARTICLE 1: to bring in your votes for the election of one Selectman for three years, one Moderator for two years, one Fireward for three years, one Trustee of Trust Funds for three years, one Trustee of Library for three years, one Cemetery Commissioner for three years, three Commissioners of Plante Memorial Park for one year, two members of the Budget Committee for three years, and one Supervisor of the Check List for six years.

ARTICLE 2: (by ballot) "Shall we adopt the new provisions of RSA 72:43-c relative to expanded exemptions on real estate for the elderly, changing the eligibility requirement that a person may own no more than $35,000 in assets of any kind to a requirement that a person may own no more than $50,000 in assets of any kind?"

ARTICLE 3: (by ballot) "Shall we adopt the provisions of RSA 72:43-b relative to expanded exemptions on real estate for the elderly, changing the basis of the exemption from the equalized assessed valuation to the actual assessed valuation?"

Polls will be open not later than 2:00 p.m. and close not earlier than 7:00 p.m., or at such later time as shall be authorized by vote of the town.

ARTICLE 4: to hear and act upon the reports of agents, committees and officers heretofore chosen.

ARTICLE 5: to see if the town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

ARTICLE 6: to see if the town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budgeted appropriations for the following priority purposes and in amounts indicated, or take any other action thereon:

APPROPRIATION	AMOUNTS
Highway Department	$11,743.00
Police Department	5,000.00
Fire Department	5,000.00
Total	$21,743.00

ARTICLE 7: to see if the town will vote to raise and appropriate the sum of $25,000 for repairs to the Town Hall, or take any action thereon.

ARTICLE 8: to see if the town will vote to raise and appropriate the sum of $10,000 for work on the West Lake Road, or take any action thereon.

ARTICLE 9: to see if the town will vote to raise and appropriate the sum of $18,000 to be added to the T.R.A. funds available in 1978 to rebuild the Lower Troy Road, or take any action thereon.

ARTICLE 10: to see if the town will vote to raise and appropriate the sum of $5,634 for the purchase of a suitable vehicle for the use of the Police Department, or take any action thereon.

ARTICLE 11: to see if the town will vote to raise and appropriate the sum of $70,000 for the construction of a garage building for the use of the Highway Department, such appropriation to be financed by the withdrawal of $5,000 plus any accrued interest from the Highway Capital Reserve Fund, the sum of $30,000 to be paid out of the present year's revenues, and the balance to be paid by the issuance of a one-year note with interest at such rate as the Selectmen shall deem in the best interest of the town, or take any action thereon.

ARTICLE 12: to see if the town will vote to raise and appropriate the sum of $5,000 for the purchase of the sander now being rented by the Highway Department, or take any action thereon.

ARTICLE 13: to see if the town will vote to raise and appropriate the sum of $8,000 as a Capital Reserve Fund for the reassessment of the property of the town, or take any action thereon.

ARTICLE 14: to see if the town will vote to raise and appropriate the sum of $1,600 for the support of the Meadowood County Area Fire Department, or take any action thereon.

ARTICLE 15: to see if the town will vote to authorize the change in use of the $2,500 appropriated at the annual meeting of 1971, Article 11 for the purchase of a new dump site, said funds being now in the general fund, to create a capital reserve fund for the purposes of having a Soil Overlay Map made of the town by the Cheshire Soil Conservation Agency, or take any action thereon.

ARTICLE 16: to hear the report of the Budget Committee and pass any vote in relation thereto.

ARTICLE 17: to see if the town will vote to amend the lot size/ setback ordinance passed under Article 29 of the annual meeting of 1973 and amended under Article 21 of the annual meeting of 1976 by adding the phrase "or mobile home" to paragraphs 1 and 2 of said ordinance, and by adding a new paragraph 3 to said ordinance to permit the rebuilding of certain buildings and mobile homes existing on tracts of land of less than two acres in size which existed as such prior to March 6, 1973, so that said ordinance shall read as follows:

"no building or mobile home shall be erected, constructed or placed on a lot of land less than two (2) acres in size, nor less than 50 feet from the edge of the traveled portion of any highway, nor less than 25 feet from a boundary line. A person convicted of violating any of the provisions of this ordinance shall be fined not more than $10.00 for each day such violation exists.

This ordinance shall not apply to tracts of land less than two (2) acres in size which existed as such prior to March 6, 1973, provided that any buildings or mobile homes placed thereon shall comply with the setback requirements contained in this ordinance, and further provided that all applicable regulations concerning water supply and sewage disposal are complied with.

This ordinance shall not apply to the reconstruction of buildings or mobile homes for human habitation which existed as such before March 6, 1973, and which buildings were subsequently destroyed by act of God or unavoidable casualty. Such buildings or mobile homes may be rebuilt within the limits or boundaries of the former building or mobile home provided that reconstruction of a building or replacement of a mobile home is commenced within two (2) years from the date of destruction and further provided that all applicable regulations concerning water supply and sewage disposal are complied with.

The Board of Adjustment is hereby authorized to hear the appeals of any person or persons aggrieved by the enforcement of this ordinance. Any person or persons so aggrieved shall have the right to appeal to the Board of Adjustment for a variance of the application of this ordinance, and in connection with any such appeals, the Board of Adjustment shall have, throughout the town, all of the powers and duties granted to Boards of Adjustment under R.S.A. 31:66 through 31:76 of the Revised Statutes Annotated, as amended.

ARTICLE 18: to see if the town will vote to amend the building permit ordinance passed under Article 22 of the annual meeting of 1974 by adding the phrase "mobile home or other", and deleting the phrase "intended to be used for human habitation", so that the ordinance would provide as follows, with the added portion being underlined and the deleted portion being lined over and bracketed:

"No building, mobile home or other structure, (~~intended to be used for human habitation~~), shall be constructed or reconstructed, erected or placed on a plot of land within the town without first obtaining a permit from the Board of Selectmen. Camping areas having state approval shall be exempt from this ordinance. Any person convicted of a violation of this ordinance shall be fined not more than $10. for each day such violation exists."

ARTICLE 19: to see if the town will vote to adopt the provisions of R.S.A. 36:4 II (b) which would require the town to elect 4 members of the Planning Board, the 5th member to be a Selectman to be appointed by the Selectmen Ex-officio (by petition).

ARTICLE 20: to see if the town will vote to accept a gift of a 1978 Chevrolet Rescue/Equipment vehicle from the Fitzwilliam Fire Department, Inc., or take any action thereon.

ARTICLE 21: (by petition) to see if the town will vote to establish a committee of 7 to make rules and regulations pertaining to the operation of yard sales and flea markets in the town, said committee to report to the annual meeting of 1979 with any proposed ordinance for the operation of such enterprises, or take any action thereon.

ARTICLE 22: (by petition) to see if the town will vote to reopen the portion of Road #66 beginning at the driveway entrance leading to the residence of Robert Underwood and running southeasterly approximately 400 feet to a point 50 feet southerly of the northwest corner of the property now owned by Levi Martin, to public travel, said roadway being a portion of a roadway which was closed subject to gates and bars under Article #19 of the town meeting of 1969, or take any action thereon.

Given under our hands and seals this 25 day of February, in the year of our Lord, nineteen hundred and seventy-eight.

ANNUAL TOWN MEETING - SYNOPSIS
FITZWILLIAM, N.H.
MARCH 8, 1977

The annual town meeting of Fitzwilliam, N.H. was held on Tuesday, March 8, 1977 at 2 P.M. The voting starting at 2 P.M., and the business meeting starting at 7 P.M.

ARTICLE I Results of the voting as follows:

Selectman	Howard C. Holman
Town Treasurer	Grace C. Johnson
Town Clerk	Jane R. Wright
Tax Collector	Winston A. Wright
Fireward (3 Year Term)	Edwin O. Mattson, Jr.
Fireward (2 Year Term)	Winston A. Wright
Fireward (1 Year Term)	William N. Prigge
Cemetery Commissioner	Altieri Farinoli
Trustee of Trust Funds (3 Year Term)	Helen Lively
Trustee of Trust Funds (1 Year Term)	Ellen Buffum
Trustee of Library	Walter DelDotto
Municipal Budget Committeemen	William Davis, Jr.
	Warren Spicer
Commissioners of Plante Mem. Park	Robert W. Dunton

ARTICLE II The Annual Report was accepted as written. Mr. Holman asked if the people had any suggestions as to items that should appear in the report, and Mr. Stillman Stone said that he would like to have the index map of the Town in the report.

ARTICLE III Voted to authorize the Selectmen to borrow money in anticipation of taxes.

ARTICLE IV Voted to authorize the withdrawal from the Revenue Sharing Fund as follows: Highway Dept. $14,514. Police Dept. $5,000. and Fire Dept. $3,000.

ARTICLE V Voted to raise and appropriate the sum of $5,000. for the purchase of a 3/4 ton pickup truck equipped with a snowplow for the use of the highway dept., and to authorize the Selectmen to trade or otherwise exchange the Highway Dept.'s present 3/4 ton pickup truck in connection with said purchase.

ARTICLE VI Voted to raise and appropriate the sum of $10,000. for the crushing of gravel.

ARTICLE VII Voted to raise and appropriate the sum of $48,000. for the purchase of a new fire truck, such appropriation to be financed by the withdrawal of $36,000. plus accrued interest from the Fire Dept. Capital Reserve Fund, and the balance to be paid out of the present year's revenues, and to authorize the firewards to complete said purchase on behalf of the Town, provided that any funds left from the purchase of this vehicle shall revert to the Fire Dept. capital reserve fund.

ARTICLE VIII This article was indefinitely postponed-- to raise and appropriate the sum of $99,500. to purchase the land, buildings and equipment now owned by the Fitzwilliam Conservation Corporation.

ARTICLE IX The budget was passed as presented, but with the negative vote on Article VIII, the budget will be $319,400.

ARTICLE X Voted to accept the sum of $500. for the Fitzwilliam Bicentennial Committee, said sum to be added to the Capital Reserve Fund previously established for the preparation of a town history.

ARTICLE XI Voted to accept a gift from the heirs of Marshall P. Whitcomb of land owned by the said Marshall P. Whitcomb at the time of his death, located on the northerly side of Route #119 and off of the easterly side of the Old Troy Road.

ARTICLE XII Voted to authorize the Board of Selectmen to trade, sell, or otherwise dispose of any unusable Fire Dept. Equipment, Police Dept. Equipment, Highway Dept. equipment, or the equipment of other departments' not needed for town use.

ARTICLE VIII This article was passed as amended to read: Voted to authorize the Selectmen to sell, at PUBLIC SALE, the old fire station land and/or buildings, and to be removed within six months from the time of the sale.

ARTICLE XIV Voted to authorize the Selectmen to apply for, to accept, and expend, on behalf of the Town, or any department there of, any and all grants or other funds for municipal purposes which may now or hereafter be forthcoming over and above the total appropriation.

ARTICLE XV To choose and elect any other officers or committees. Under this Article a committee for the Memorial Day Program was chosen. The following people volunteered: Mrs. Marolyn Dunton, Mr. Jesse Davis, and Miss Ruth Stone. Also, recognition was given to Mr. Walter Stone for placing flags on the graves of Veterans. Also, a proposal was presented by the Budget Committee as follows: The Budget Committee recommends that three committees be appointed by the moderator to evaluate various money problems that could arise or do exist at the present. The purpose would be helpful to the Budget Committee in that there would be alternate proposals and recommendations which would be considered in preparing the budget for the following year. Mr. Edwin Mattson, School Representative spoke about the up-coming Monadnock Regional School Meeting on April 16, 1977.

The meeting adjourned at 8:50 P.M. Ballots were counted and elected officials were sworn in as by law prescribed.

Resepctfully submitted,

Jane R. Wright
TOWN CLERK

SPECIAL TOWN MEETING
FITZWILLIAM, N.H.
SEPTEMBER 22, 1977

The special town meeting was called to order at 7:00 P.M. by moderator, William Prigge. The moderator led the meeting in the pledge to the Flag. Voted to waiver the reading of the entire warrant. Mr. Holman made a motion to pass over Articles 1 & 2 and take up Article 3. This motion was voted down and action was taken on Article I.

ARTICLE I (By Petition) To see whether or not the Town will vote to disapprove location of any Town dump facilities at the former Decatur property near the center of the Fitzwilliam Depot Community. This Article was passed as written, to disapprove location of any town dump facilities at the former Decatur property near the center of the Fitzwilliam Depot Community. Results of voting: Yes - 197, No - 19.

ARTICLE II (By Petition) This article was voted in the affirmative to use the existing dump site.

ARTICLE III (By Petition) This article was indefinitely postpone to see what other location or locations the Town will vote to establish for Town dump facilities.

ARTICLE IV (By Petition) This article was indefinitely postponed to see whether the Town will vote to authorize and require operation of Town dump facilities by a private operator or private operators chosen on the basis of open bidding procedures.

The meeting adjourned at 9:30 P.M.

Resepctfully submitted,

Jane R. Wright
TOWN CLERK

SELECTMEN'S REPORT

The Board of Selectmen submits the following report. We wish to begin by thanking the many people who have served in the various offices, on committees and commissions working on the behalf of the town throughout the past year. Without them it would be impossible for our town to operate.

This past year, our Town Hall has been entered into the National Register primarily due to the efforts of Dr. Theodore Hatch and Mr. Jesse Davis. This is a very high honor for our town. Last year in our annual report we indicated the necessity for painting the exterior of the town hall. We find that this is only one of the projects which must be accomplished if we are to continue to maintain this building. We are recommending an appropriation of $25,000. to cover the cost of re-wiring work, replacing portions of the ceiling in the lower hall, replacing and repairing some of the timbers at the base of the tower, as well as painting the hall, fire station and library.

This year the town solid waste situation has been brought into line with state standards, amid much controversary. We particularly want to thank the many interested citizens for their interest, concern and suggestions relating to this problem. Much of work has been completed including initial site work, installing the compactor and closing the burning dump. During 1978, additional work will be required to start re-cycling activities and complete the site work including landscaping. We are pleased to report that our solid waste handling facility is not only working but working well. We have had a few minor problems however they are being solved and we look forward in 1978 and subsequent years to a smooth efficient facility.

Most people in town have heard the term TRA. This is the state program for local town road assistance under which we have rebuilt a number of our roads. Over the years the most recent project being a section of the Upper Troy Road. Under this program, roads meeting state criteria are rebuilt to state specifications with state supervision. The funding of these projects is controlled at state level with towns matching every seven State dollars with one local dollar. Unfortunately for a number of years now the TRA funds have remained at a constant level in spite of rising costs. Consequently projects have been long drawn out affairs. The Board of Selectmen have taken the position that major road re-building projects can best be handled under this program. We recognize the need for re-building several roads within the community, and we don't feel that the community can afford to wait until adequate TRA funding has accumulated. We recommend in order to expite these projects that the town supplement available TRA funds. This year we are recommending that $18,000. be raised and appropriated to supplement available TRA money for re-building the Lower Troy Road. State engineers have advised us that this amount of money will be sufficient for completing the job during 1978. We further recommend that in 1979 we start work re-building the East Lake Road from Brackets around the end of the lake to Arthur Raitto's. Based on supplement available TRA money we feel this project should be accomplished as three one year projects. In preparation for this project during 1978 we will be working with state surveyors laying out the center line and right-of-way for West Lake Road as defined when the road was originally laid out. Property owners abutting this right-of-way will be notified and should it become necessary, a public hearing will be held the latter part of this summer.

The Board indicated in our 1976 report that the re-assessing of property was an important pronect that should be accomplished in the near future. This year, the Budget Committee has recommended that $8,000. be set aside toward the cost of this project. The Board recommend that the actual vote for re-assessment come up during the annual town meeting in 1979.

The Board would like to draw your attention to the annual property inventories. This year there are a number of changes which effect every taxpayer. These forms should be completed and returned to the Boards' office no later than April 15th. Please note that taxpayers failing to properly file this inventory will be subject to a fine of 1% of the tax due but not less than $10.00 or more than $50.00. This fine will be added to your property tax bill. We would also point out that failure to file an inventory will result in loss of right to appeal the tax and/or any exemptions.

We would like to address ourselves to a problem area that we anticipate in the very near future, that area is town growth. During 1977, our population rose to over 1600 people and we witnessed a number of new homes being constructed. As the town grows, the need for town services is going to increase dramatically and the time to plan for that increase is now. We have received from time to time indications of interest from various industries looking into locating in Fitzwilliam. Unfortunately once a plant is built it is too late to change its location. We feel that the two broad areas where work must be done are in the area of master planning and adopting a good zoning ordinance. Unless we as a community decide what we want our town to be and establish the necessary controls now, we will have very little to say about the future.

Respectfully submitted,

Thomas F. Parker
John R. Damon
Howard C. Holman

Dear Sir:

This communication is intended to serve as a status report on the examination made by this Division of the accounts and records of the Town of Fitzwilliam.

The auditors' report and summary of findings are currently awaiting final Division review in keeping with our established policy. We do not expect to be able to submit a report of this audit prior to the publication of the Annual Report.

We regret the inconvenience which this may cause. However, we fully expect that our report will be finalized and forwarded to your office in the very near future.

Very truly yours,

Lorraine F. Racette

ANNUAL REPORT OF THE ROAD AGENT

The present Road Agent was appointed to office by the Board of Selectmen on April 1, 1977. This report covers the period from April 1, 1977 to December 31, 1977.

The usual summer and winter maintenance was accomplished, including patching roads, cutting brush, cleaning culverts, and ditches, oiling, plowing, and sanding. The following special projects were accomplished. 1. The T.R.A. Project on the Upper Troy Road was completed. 2. Sections of the Holman Road were scarified, graveled, and Farmers' mixed and sealed. 3. The Creamery Road was scarified, graveled, farmers' mixed and sealed. 4. The major re-graveling and grading job was done on the Sandy Beach Road. 5. West Lake Road was scarified for approximately 3500 feet. In excess of 2500 yards of base material were spread on the road and topped with crushed gravel. This project is scheduled for completion during 1978. 6. A large diameter culvert was replaced on the Rockwood Pond Road below Rockwood Pond. 7. A major widening job and re-graveling were accomplished from the Rhododendron State Park area through to the Old Troy Road. This project is scheduled for additional graveling and grading during 1978. 8. Approximately 40 street signs were erected throughout the town at a cost of approx. $1,000. An additional 40 signs have been purchased for erection during 1978. 9. The Town Highway Dept. took an active part in the work being accomplished at the town solid waste transfer station, including graveling and grading the area. A leveling project has been started on the Turnpike Road. A hill approx. 20 feet high has been removed, eliminating a traffic hazard, and will be completed during 1978. 10. Several projects were accomplished on the Town Highway Garage, including the addition of lights, hot-air furnace, a shallow well and pump.

The highway equipment presently on hand ranges from good to poor condition as follows:

1973	Ford F750 Dump Truck	- Fair condition
1976	Ford F750 Dump Truck	- Good condition
1976	John Deere Front End Loader	- Good condition
1971	John Deere Road Grader	- Fair condition
1977	Ford Pickup Truck	- Good condition
	Road Sweeper	- Fair condition
	York Rake	- Good condition
1	Pickup Box Sander	- Fair condition
1	Five Yard Box Sander	- Poor condition
2	Chain Saws	- New
	Misc. hand tools	- Fair to poor condition

This year we are proposing some major work done on our 1971 grader. During 1977 we replaced the four rear tires at a cost of approx. $1,200. This year we are proposing to have the machine sent back to a John Deere Dealer for inspection, repair & replacement of componants as required, plus cleaning and repairing of the equipment. This should raise the over-all condition of the equipment from a fair to good category, and insure a number of useful years of life from the grader. We have originally requested that we purchase a new dump truck this year, however, due to tight fund situation we propose to keep our 1973 truck running for an additional year. This will require additional maintenance and possibly a new engine before the year is over. We have put a large amount of money into our five yard box sander in order to keep this piece of equipment running through the winter. In addition, we have leased a second box sander with an option to buy and are requesting the town to appropriate sufficient funds to buy this piece of equipment. We feel that it is necessary to have two five yard box sanders in order to adequately provide sanding during icy weather.

We have proposed a number of projects during 1978. Whether or not we can accomplish these projects will depend a large degree upon funding available. Projects proposed include: 1. The re-building of the Lower Troy Road, using T.R.A. funds and supplementing them with town funds. We are recommending that an additional $1,800 dollars be raised to supplement the $7,000. we anticipate being available through T.R.A., and having the job accomplished by State Highway Dept., using State supervision and State labor. 2. We are proposing a special article for raising funds for completing the West Lake Road Project. This will include scarifying and graveling two short stretches beyond the area already under construction, removal of stones and shimming of areas not to be scarified, farmers' mixing on all the gravel sections, and sealing the entire road. We feel that the funds requested are sufficient to complete the project for the entire length of the road. 3. We have requested funds for re-building Kinsman Road and Robbins Road. Both of these roads are very narrow, very rough roads. We propose to re-build the roads without appreciably widening them and destroying the local aesthetics. 4. We have requested funds for mixing two batches of a oil-stone-sand mixture, which can then be used to apply to roads using a paving machine. We would propose to use this material for re-paving Perry Road, Pleasant Street, Church Street, Angier Road and other short sections around town. 5. We are proposing to use available supplies of crushed gravel and spread this on gravel roads throughout the town. In line with this, we are also proposing to train one of our people to be a full-time grader operator to insure that in future years we do a better job of keeping our gravel roads graded up in good condition.

Respectfully submitted,

Alfred McElaney
ROAD AGENT

TOWN HIGHWAY FACILITY COMMITTEE REPORT

The 1977 Town Meeting authorized a committee for the purpose of making recommendations to the Town for a Highway Department facility. The members were appointed by the moderator.

During 1976 an application for funding a Municipal Services Center project was submitted by the Town to the Economic Development Agency under the Public Works Act of 1976. This application was denied. During 1977, we had an opportunity to re-submit this application under the Public Works Act of 1977. This application was also denied.

Following denial of the applications, our committee made inquires to Rep. James Cleveland, Senator John Durkin, and Governor Meldrim Thomson, relative to alternative sources of funding without success.

Numerous meetings were held by the committee to develop recommendations for a project that would fulfill the Town's needs, and remain within the Towns' ability to finance locally. The following is a list of our findings and recommendations which are submitted for your consideration:

1. The need for an adequate maintenance facility continues in spite of improvements made by the Road Agent. Presently the lack of appropriate facilities is actually costing the Town due to the inability to provide preventive maintenance that should be done. The maintenance which is accomplished takes longer adding to the cost often at overtime rates, and eventually, more equipment will have to be sent out for repair or prematurely replaced simply because we lack the facilities to do the job ourselves.
2. Covered storage space is required so that equipment can be properly stored under cover. Again, money can be saved in the long run by helping to extend the service life of highway equipment. Equipment standing in the weather deteriorates much faster, and is susceptible to vandalism.
3. The Town's application for EDA funds included a municipal package with a highway facility and a Police Station. The committee feels that there is a real need for a Police Station and that we should propose both facilities. The current police facility needs numerous repairs. In addition, it is appropriate to point out that the police facility is a part of the Village Fire Station which is fast becoming a problem since it is too small for a newer truck.
4. Consideration was also given to supplying space for Town Offices in the facility. The committee feels that there will be an increasing need for better Town Offices as the town grows. We tabled the idea however because the Town may not be ready for this step at this time. We do not feel the point should be dropped entirely and would suggest that further study be given to how the Town will handle future administrative duties.
5. The committee in arriving at a combined Highway and Police Department facility realize that the Town may not be prepared to vote for the complete package. Consequently our proposal is based on a structure which can eliminate the Police Station if necessary. Should the Town decide to take that route we would recommend that donsideration be given for some other arrangement for Police facilities, while also considering another arrangement for a Village Fire Station.
6. We have worked with the Baybutt Construction Company to prepare preliminary drawings. Copies of these drawings are available for viewing at the Town Hall. The total complex is made up of three separate, but joining steel buildings. The actual layout of these buildings and their interior floor plans can be re-arranged from that which is illustrated. The purpose of the drawings is to show the basic components, and their estimated cost.
7. It is recommended by the committee that the greatest value to the Town can

be realized by employing a design - build contractor rather than a separate architect to design and prepare specifications. We suggest the Town accept proposals from various contractors, then to negotiate the final building with the contractor of their choice. This would allow each contractor to use standard building packages and eliminates the added costs by insisting on non standard equipment.

8. The committee strongly recommends the construction of the total Highway and Police Department complex. Both facilities are needed now by the Town, and construction costs will increase in the years ahead. The combined project will save additional money over separate projects in terms of water supply, sewerage treatment, toilets, common walls, common heating plant, common access road, etc.
9. The total cost of the project is estimated at $130,000. We would propose to raise $20,000. this year ($5,000. from the existing capital reserve fund, and $15,000. from property taxes). The remaining $110,000. to be borrowed on a long term, payable over ten years at approximately $15,000 per year, principal and interest. This would have an effect on the tax rate of approximately $1.25 per thousand based on the current town assessment.
10. In the event the town should wish to build only the Highway Department facility, and not the Police Station, the cost is estimated at $100,000. We would recommend that $20,000. be raised (5,000. from the existing capital reserve fund, and $15,000. from property taxes), with the remaining $80,000. to be borrowed with re-payment spread over five years or approximately $18,000. per year. This would add approximately $1.50 to the tax rate. The figures are only approximate since the actual rate of interest would be determined at the time we would take the loan. We would anticipate a rate of about 5% per annum.

Respcetfully submitted.

FITZWILLIAM PLANNING BOARD
REPORT 1977

Functions of a Planning Board:

1. To regulate land sub-divisions. In the Town of Fitzwilliam this is done according to Sub-Division Regulations adopted by the voters of the Town at the Town Meeting, March 10, 1970 in accordance with Chapter 36, Sections 19-29, N.H. RSA 1955, plus additions and changes made in later years.

2. To prepare a community land use plan.

The Fitzwilliam Planning Board undertook a course on planning with Larry Stirling of the Southwestern New Hampshire Regional Planning Commission. There were twelve meetings with Mr. Stirling - he attended eight regular meetings and conducted four special meetings. It was found that many of the regular meetings were so taken up with regular business on sub-divisions that it was 9:30 before Mr. Stirling could start the training program - hence the four extra meetings.

Seventeen applications for sub-divisions came before the Planning Board during the year 1977. Eight applications were carried through the final requests and were granted - four were denied. The properties where sub-divisions are denied require a great deal of time, on site inspection and effort in order to arrive at a final conclusion that is fair to all parties. Added to the approvals and denials there were two preliminary requests that the Board considered but did not encourage so they were withdrawn. Three of the applications made in 1977 were finalized at the January 1978 meeting.

As a result of inquiries from some property owners two additions to the sub-division regulations were proposed and adopted after a public hearing on December 5, 1977:

1. Abutting lands deeded to one owner on separate and various dates become a part of the holdings as one piece of land and cannot be considered as automatically sub-divided.

2. Any unsold lots in a sub-division made prior to the Fitzwilliam Sub-Division Regulations dated September 3, 1970 are subject to present requirements.

Respectfully submitted,

Frederick W. Regan, CHAIRMAN

FIREWARDS REPORT

1977 CALLS

The Fitzwilliam Fire Department responded to 121 calls in the period from December 1, 1976 through November 30, 1977. To see the increasing demand on the fire department's men and equipment, this compares with 90 calls in 1976 and approximately 70 calls in 1975. The calls for 1977 included 9 chimney fires, 8 structural or house fires, 8 vehicle fires, 7 brush fires, and 10 mutual aid calls. There were also 3 miscellaneous calls for gas washes and smoke investigations. There were 50 calls for medical emergencies and 15 calls for automobile accidents for a total of 65 rescue related calls. Finally, there were 11 calls to the dump. It should be noted that the fire department exceeded its budget for 1977 by several hundred dollars, and it should be further noted that the payroll alone for dump fires approximated $800 to $900. Hopefully with the new structure at the dump last year's expense will not have to be repeated in the future.

NEW VEHICLES

Under Article 7 of the warrant for last year's meeting, the town authorized the firewards to purchase a new fire truck. After much research and consultation with various manufacturers' representatives, a contract was signed in August of 1977 with Continental Fire Trucks Inc. of Hopkinton, Massachusetts to purchase a 1978 Ford Louisville Chassis with a 750 gallon per minute front mounted pump and a 1,000 gallon tank. The vehicle along with a new radio, lights and certain special equipment will cost approximately $46,000. Delivery has been tentatively promised for May or June of 1978.

As of last year's report, the firewards advised you that the number of calls for medical emergencies and accidents was increasing rapidly, and that the fire department was considering the purchase of a rescue/equipment vehicle. After much research and investigation, the fire department purchased a 1978 Chevrolet one-ton 4-wheel drive vehicle. Although there were some delays on the part of the manufacturer, the vehicle was delivered in December of 1977 and the body installed. The vehicle was placed in service in January. The truck and body, along with the radio and other special equipment cost in excess of $13,000, all of which has been paid for out of the funds of the fire department membership.

The firewards hope you will support the article in the warrant authorizing the town to accept a gift of the new rescue equipment vehicle from the fire department.

PRESENT VEHICLES

At present the department has the following vehicles:

1. 1936 Stewart - equipped and used for brush and forestry purposes - condition: fair.
2. 1950 Ford 1100 gallon tanker with 150 gallon per minute pump - condition: fair-poor.
3. 1954 Ford hose reel-pumper 500 gallon per minute front mount pump with 500 gallons of water and 1700 feet of 4-inch hose. Condition: good.
4. 1956 GMC 1500 gallon tanker with 500 gallon per minute rear mount pump. This is an all-wheel drive vehicle donated by the Forestry Department. A new tank will be installed in 1978. Condition: good.
5. 1965 International pumper with 750 gallon per minute midship pump and 750 gallons of water. Condition: good.

AMBULANCE COVERAGE - RESCUE WORK

The firewards would like to remind the citizens of the town that their ambulance service is provided without charge by the Troy Emergency and Ambulance Servise (TEASI). The new rescue vehicle provided by the members of the Fitwilliam Fire Department is not an ambulance. The services offered by the rescue vehicle and the ambulance complement each other at the scene of a medical emergency or vehicle accident.

We encourage the citizens of Fitzwilliam to support TEASI in its efforts to provide good ambulance service for our town.

As you may be aware, the fire department has established a rescue and equipment fund, and has put certain donations into this fund to purchase equipment for various types of medical emergencies. In deference to TEASI's attempts to purchase and equip an ambulance in the past few years, the fire department has not requested the town's assistance with financing the rescue vehicle or rescue equipment. We do expect to solicit financial assistance from the townspeople to help offset some of the cost of the new rescue/equipment vehicle. It should be pointed out that the savings fund established from donations for the purchase of equipment was not used in the purchase of the rescue vehicle, but has been used to purchase new hand tools and supplies.

SPECIAL PROJECTS

The fire department again sponsored sled dog races in January and provided lighting for the Christmas tree in the village common. The equipment for this latter project is in its advanced years, and hopefully will be replaced during the coming year.

The fire department by-passed its usual Fourth of July barbecue and fireworks display to have it coincide with the town's annual Old Home Day celebration. This event appeared to be a great success and enjoyed by young and old.

MEADOWOOD COUNTY AREA FIRE DEPARTMENT

For many years the town has benefitted from the services offered by the men and equipment of Meadowood. As most people are aware, all of Meadowood services are free to the town, and we continue to urge all citizens to respond generously to Meadowood's annual appeals for donations, especially this year, the department's 25th.

Last year we offered our congratulations to Meadowood upon its acquisition of a new rescue vehicle. This year, the directors of Meadowood added a vital piece of equipment to that rescue vehicle by purchasing a Hurst Tool, also known commonly as the "Jaws of Life". This tool can be of vital importance at the scene of an automobile or industrial accident, and can be of great assistance in firefighting.

Meadowood is also looking into the possible replacement of the chassis on the ladder truck. The ladder has been of invaluable assistance to Fitzwilliam on many occasions, and we would hope that a suitable replacement for the 1956 Ford chassis can be secured.

The firewards note that the budget committee has submitted an item in the budget of $1,600 for the support of Meadowood. We urge your support of this measure, but we also ask that those who have donated to the supporting membership in the past continue with this help in the future.

TOWN SUPPORT

The firewards again express their appreciation to the citizens of the town not only for the support of the activities of the fire department of the Town of Fitzwilliam, but of the activities of the membership of the fire department. We would like to continue to be of as much service to the town as possible, and would be glad to answer the questions of any individual or organization as to the nature of our equipment and services.

11/13/77	Richmond - Route 119 - automobile accident - medical emergency
11/19/77	Martha Keilig (barn) Winchendon Road - chimney fire
11/21/77	Sherri Ricard, MacBick Company - medical emergency

TO THE CITIZENS OF FITZWILLIAM, N.H.
FROM TROY EMERGENCY AMBULANCE SERVICE, INC.

On behalf of our ambulance group, I would like to take a few lines to let you know what your ambulance has done in the past twelve months and our plans for the future twelve months.

Regardless of the hour or the weather, our obligation to you has lead us to 138 Emergency calls and 23 Transfer calls. We have saved a life, soothed a brow, held a hand and wiped many a tear.

We joined Tri-State, a group of towns organizing medical communications, and filled our obligation as a back-up unit to neighboring towns. Our licenses, which enable us to continue working on the ambulance, are up-dated yearly. Our members attend both medical and business meetings and keep the ambulance in tip-top condition. We even managed to celebrate our first year in operation in April of 1977 with a dance.

Your contined support and faith in us has been a great morale booster in this volunteer service. This is all made possible due to each and every-one of you who have given generously in your donations. We are still operating on tax-free dollars - thanks to you who care.

What we plan to do - is not to let you down - to keep up the necessary functions of a very vital corporation, namely your ambulance. These next twelve months we will be training new personnel and re-certifying present people. Plans for our second anniversary dance are also in the making. But our chief goal for 1978 will be to help keep you healthy, safe and assured that TEASI is only minutes away if a need arises. Please remember the emergency telephone number - 352-1100.

Once again, I would like to thank you and each and every volunteer member in TEASI - for doing a great job both in your support and in all the dedication to this corporation.

Ray Woods,
PRESIDENT
TROY EMERGENCY AMBULANCE SERVICE, INC.

FITZWILLIAM POLICE DEPARTMENT
REPORT FOR 1977

During 1977 planning, it was determined that police growth and service required study to ascertain where the Town's interest lay. A research survey was conducted by the Police Department for the purpose of measuring this interest.

After receiving an excellent 33% response, three specific areas of interest were identified:

Highway Safety Planning
Increased Criminal Investigation
24 Hour Patrol

Based on the survey results, the budget for 1978 was prepared. This budget proposal included the position of a third full time officer to provide the means to devote attention to the three specific areas. The proposal totaled approximately $41,000.

The 1973 Self Study survey indicates that of those who responded, 73% felt that 24 hour patrol would be favorable police protection; and that 61% felt the present service (of 1973) was inadequate.

Therefore, it becomes reasonable to assume that the Town favors police growth in certain areas. As Police Chief, I agree with the Town's response. I cannot suggest we pay the price of 24 hour patrol, but I do feel a third full time officer is necessary and would provide for a considerable increase in service.

I further recommend that Police Department growth stop with a third full time officer. Three men would be a reasonable number of personnel and would place Fitzwilliam nearer the national average of 2.1 officers per 1000 people*. We would not be able to provide 24 hour patrol daily, but we would have the means to increase patrol time, be capable of 24 hour patrol periodically, as well as increase criminal investigation. Additional personnel would then only be justified when Fitzwilliam made substantial increases in population or other significant changes occurred.

For the third year in a row, we have enjoyed a reduction in the so called serious crimes. Since 1975, there has been a reduction trend of -57% of this type of crime. There is no method of determining what is responsible for this reduction. However, increased police activity and community awareness contribute to a large extent.

Police service in the Town is increasing each year. Again the predominant service is property checks which numbered over 7800 this past year.

Motor vehicle accidents have climbed with our increased attention to house checks and crime prevention. Hopefully we can strike a medium to maintain crime prevention with a reasonable level of highway safety.

Of the 48 accidents in Fitzwilliam this year, there were 10 personal injury accidents, and one double fatality. It is becoming increasingly rare to have a fatal free year.

As in crime prevention, the public is in the best position to promote highway safety. A large number of traffic accidents can be prevented by obeying the rules of the road and exercising common sense.

Police effectiveness is largely based on its relationship with the community and fellow agencies. We have been fortunate to enjoy excellent co-operation from both. Our sincere appreciation is extended to all, with the hope that these relations will continue.

Statistical information of general interest concerning the year's activities is listed below. More detailed information is available from our office.

Respectfully submitted,

Kurt F. Schimke
CHIEF OF POLICE

Robbery 1	Cleared -	Property Checks 7832
Burglary 24	Cleared - 3	Burglar alarms 65

LIBRARIAN'S REPORT 1977

This is the first year that Fitzwilliam Library circulation has exceeded the 10,000 mark, with 10,150 books and magazines charged out.

A total of 257 new books were acquired and 967 volumes were borrowed from the Bookmobile which made three trips to Fitzwilliam. Eighty-three books were borrowed on special order for patrons through the State's Interlibrary Loan Program.

With the appointment of Paula Baldwin as Assistant Librarian a very successful summer reading program for Juniors was carried out. And --- another first --- more Junior books were circulated this year than adult fiction.

One Hundred seventy-three books were weeded from the Junior collection, leaving valuable shelf space for new acquisitions and for those books that do move.

Much work has been done with volunteers to improve cataloguing and make books more readily accessible on the shelves. During the year our card catalog expanded to the point that additional drawers were necessary. The Friends of Fitzwilliam Town Library purchased for us a new 6-drawer catalog for the Junior room. The Friends also carried out a very successful sale of old books on the Library lawn on Old Home Day, the proceeds to go toward the purchase of books.

For the second consecutive year we received an award from the N.H. State Library certifying that we meet the qualifications of the N.H. State Library Development Program for libraries in towns with population under 2000.

Eleven books on American History and frontier days were purchased using a portion of the Bi-Centennial Commission's donation of $500.

The chimney of the Library building was rebuilt and the roof flashing repaired. Also a first floor rear fire door was installed to meet the State Fire Marshall's requirements.

This past fall I completed a fourth 10-week course in library administration given by the State Library at Keene State College. In addition I have attended those District Advisory Council meetings which were held in the area.

Respectfully submitted,

Mary Thompson
LIBRARIAN

Lois Lundsted,

Treasurer, Clerk

FITZWILLIAM HISTORIC DISTRICT COMMISSION
REPORT FOR 1977

In 1977, a new set of Rules and Regulations for the Fitzwilliam Historic District were established. These rules pertained to the revising of the existing regulations and the addition of new regulations. A copy of these Regulations are published in this Town Report. These Regulations were revised on July 14, 1977.

Applications approved for the Fitzwilliam Historic Commission for the year 1977:

1. Howard Buss - Alterations and changes in his garage.

2. Elizabeth McKendry - An antique sign denoting her Antique Shop.

3. Fred Slavic - A re-application to replace an application that was approved in 1976. The re-application was to build a garage on his property.

4. John Ilg - Alterations to the existing porch and enclosing said porch.

5. Tom McCulla - Addition to his home on Rhododendron Road.

6. Stephen K. Ralowicz - The building of a structure to be his future home.

Changes in the Histroic Commission members for 1977 were -
Mr. Frank Dahl, Angier Road, Fitzwilliam, N.H.
Mrs. Frances Yasvin, Lower Troy Road, Fitzwilliam,N.H.

These members replaced David Payea who moved to California, and Barbara Fitzgerald, who resigned. The existing Board is made up of: John C. Ilg, Frances Yasvin, Frank Dahl, Frances Hallett, and John Damon, as a Selectmens' representative.

John C. Ilg, Chairman
FITZWILLIAM HISTORIC COMMISSION

FITZWILLIAM HISTORIC DISTRICT
RULES AND REGULATIONS

PURPOSE

1. The prime purpose of the Fitzwilliam Histroic Distric is to maintain the existing small town New England colonial atmosphere. New Construction or exterior remodeling must conform to this purpose. Inconsistencies in the existing colonial profile shall not be used as a reason for allowing additional inconsistencies.

2. To preserve a district in the municipality which reflects elements of its cultural, social, economic, political, and architectural history.

3. To conserve property values.

4. To foster civic beauty.

REGULATIONS

1. Existing non-conforming structures or uses may continue except as follows:

   a. The use of a structure may not be altered or enlarged.

   b. The use of a structure may not be changed to another non-conforming use.

   c. Once a structure is changed to a conforming use, it may not revert to a non-conforming use.

2. New structures, buildings and those moved into the district, and alterations shall:

   a. Require a permit. (No permit shall be required for remodeling or repairing where the exterior appearance is not changed).

   b. Be completed within one(1) year from start of construction or application made to the commission for an extension.

   c. Be a one or two-family residence.

   d. Be a maximum of 2-1/2 stories (except no limitation for farm outbuildings).

   e. Have a minimum lot frontage of 150 feet.

   f. Be on a minimum lot size of two acres and one house to a lot.

   g. Be set back a minimum of 50 feet from the edge of the traveled portion of any highway.

   h. Be located at least 25 feet from any other boundary line.

   i. Conform to the general style of neighboring structures in the following categories:

1. Architecture

a. Similarity of construction. type of framing and materials:

1. Similarity of roofs, i.e., slopes and shapes.

2. Similarity of exterior finish walls, i.e., shakes, shingles, clapboards, brick, stone.

3. Similarity of exterior surface finish, i.e., paint, stain, natural.

b. Similarity of lateral facades:

1. Number, size and type of doors and windows as a percentage of the facade.

2. Type and design of cornices, lintels, arches, porches, balustrades, wrought iron work, chimneys, etc.

2. Landscaping

a. Similarity of landscaping and ground covering, i.e., grass, flowers, plants, hedges, shrubbery, driveways.

3. Miscellaneous:

a. No mobile homes shall be allowed.

b. No travel trailer sales nor trailers used as residence shall be allowed. (travel trailers are defined as those allowed to be towed by vehicles without a special permit, not over 35 feet long or 8 feet wide).

c. Any damaged structure or foundations shall be repaired within one year or it shall be removed to ground level and left in a safe and sightly condition.

PROCEDURE

1. Application for permit may be obtained from the Historic Commission or at the Selectmen's Office and shall be submitted to the Historic Commission.

2. Applications are required for all new construction, alterations or any other exterior changes including signs, fences, walls,driveways, etc. Information to be included is a detailed sketch and description of work; purpose; location; design and size of building, addition or alteration; placement on lot with distance from property lines and highway right-of-way (sewerage layout plans may be submitted to show this); type of materials, etc.; new construction must include sewerage approval number; and the application must be notarized.

3. The application shall be approved by said Commission before any work is started.

4. The Historic Commission meets the first Thursday of every month to act upon applications for permit.

5. It shall be the duty of the Historic Commission to administer and enforce the provisions of this policy as per HB 493, Chap. 178 State of New Hampshire.

6. Any person or persons jointly or severally aggrieved by a decision of the Commission shall have the right to appeal concerning such decision to the Board of Adjustment.

7. Any person convicted of violating any of the rules or regulations of this Commission shall be fined not more than $10 per day for each day in violation.

8. Separability: In case any sub-section, paragraph or part of this subdivision be for any reason declared invalid or held unconstitutional by any court of last resort, every other sub-section, paragraph or part shall continue in full force and effect.

9. The above regulations are in addition to existing town ordinances.

EXCEPTIONS

Exceptions to these regulations should be viewed carefully against the impact the exception would have on future applications. Any exception should be granted only when the long range impact will not be detrimental to the purpose of these regulations.

Revised July 14, 1977

CEMETERY REPORT FOR 1978

The year of 1977 has seen quite a bit of improvement in both cemeteries. The roads at the Pine Grove Cemetery were taken down and re-surfaced with good gravel and the flagpole was reset but the plaque and the stone for the flagpole will still have to have additional repairs.

Again this year we had theft from the Village Cemetery tool shed; two rider mowers and some miscellaneous tools were stolen. We have replaced one of the riders with the insurance money and money from our budget. It has been suggested that in the near future we look into a cement block building at the Pine Grove and place most of the equpment there where it will be fire proof.

We will be doing all over mowings for the season instead of twice a year; with the aid of trust fund money we should have a much better looking cemetery and less wear on the mowers.

Respectfully submitted,

Gladys B. Dunham
SUPERINTENDENT

CEMETERY COMMISSIONER REPORT

I hereby submit my report as a member of the Cemetery Commission. The cemeteries that I have visited and checked on are in good condition.

Mrs. Victor Dunham has done an excellent job with the mowing and keeping the shrubbery well cut.

I would like to see that the maps and records be microfilmed for future years, as I feel that the towns' people will be pleased to see these records kept in good shape. With this in mind I hope the voters of the town will vote to appropriate a sum of money to have this done.

Respectfully submitted,

Altieri Farinoli
COMMISSIONER
